## **Public Workshop *2020 Plenary Council***

**7:30pm Thursday 29 November 2018**

The Chapel, Australian Centre for Christianity and Culture

55 Blackall Street Barton ACT

Concerned Catholics' next public gathering will focus solely on shaping a submission to the 2020 Plenary Council.

The meeting will provide an opportunity for Catholics of the Archdiocese of Canberra and Goulburn to start to frame a submission to the Plenary Council that reflects the realities of the predicament of the Australian church in 2018 and then to discern/distil the wisdom of the People of God in this Archdiocese in responding to that situation.

The program will include:

- Background and context to understanding the predicament of the Australian Catholic church in 2018
- A focus on the significance of cultural issues within the church and the need for effective engagement with all in contemporary Australian society
- Group discussions on key areas of focus/issues to be addressed in a submission to the Plenary Council
- Identification of key points for the submission

A follow-up meeting will be held early in 2019 to finalise the draft submission outline.

All are welcome. Supper will be provided. Overnight billeting available for rural visitors to Canberra (Contact [rod@rodpage.com](mailto:rod@rodpage.com))
