

Linked Hands for YES

Lyrics Sheet

Acknowledgment of Country

This land is the song of indigenous people
All those who walked here and all their descendants
Song of the creatures and spirits of Dreaming
Song of the children and culture they lost

This land holds the lines of its earliest owners
Custodians who respected the Earth
Lines of their knowledge and wisdom of elders
We ask to walk with you in concord and peace

Words: Hazel Hall Music: Glenda Cloughley

'Yes' Today

'Yes' today, we're all here supporting 'Yes' today
And each one of us is here to stay
For we believe in 'Yes' today

Suddenly, here's a chance to change what used to be
Clear a shadow, hear a Voice that's free
Tomorrow can come suddenly

Why we had to go we all know, to have our say
And to right a wrong, so we're strong for 'Yes' today

'Yes' today, we're all here supporting 'Yes' today
And each one of us is here to stay
For we believe in 'Yes' today

Voice!

Suze Pratten

Verse 1

You made a statement from the Heart,
You made it loud, you made it clear.
You made a statement from the Heart,
Now it's up to me to hear.
So many nations came together,
So many people found one voice.
It wasn't easy but we did it
and now we need to make a choice.

REFRAIN

Verse 2

It's way past time for recognition
this voice to parliament enshrined
our nation needs the truth be told, let truth be told
and there's treaties to be signed.
